Dear Parents/Carers

The Telford & Wrekin Safeguarding Children Board is a group of people who are all involved in keeping children safe across Telford and Wrekin. They represent a range of agencies including:

- Education – schools and colleges
- Health – School nurses, doctors, health professionals
- Police
- Social Care
- Probation
- Members of our community

As part of their commitment to keeping children safe, they commissioned local children to write a leaflet on the dangers of sexting, as well as their rights and people who help them. The leaflet is written by children for children in easy to follow language, with pictures so that it is accessible.

We hope that you will take the time to share this with your child, giving them the confidence to report any concerns to you or one of the agencies listed.

If you would like to discuss any aspect of the leaflet, please contact your child's school.

Yours sincerely

A handwritten signature in black ink that reads 'Andrew Mason'.
